

Math 109C Applied College Algebra with Data Analysis  
Tentative Student Syllabus – Spring 2014

**Grades:** Your grade in Math 109C will be comprised of three in-class exams (100 pts. each), homework and/or quizzes (for a total of 100 pts.), group work (50 points in total), and a final exam (worth 150 points). Your grades will be calculated as follows:

<b>Points:</b>	<b>You are Guaranteed a Grade of:</b>	
In-class exams total	300 points	A if you earn at least 540 points (90%)
Homework and/or daily quizzes	100 points	B if you earn at least 480 points (80%)
Group work	50 points	C if you earn at least 420 points (70%)
Final exam	150 points	D if you earn at least 360 points (60%)
<i>Total possible points</i>	600 points	

**Policies:** A complete description of Math 109C course policies may be found at the course web page on WileyPlus. For section-specific homework policies, please see your instructor's web page.
