

Written Assignment 9 (due 11/26/12)

Exercise 1: Problem 20 from section 5.3 of the textbook. In part (b), make sure to explicitly mention what method of approximation you use (left hand sum, right hand sum, other).

Exercise 2: Problem 16 from section 6.1 of the textbook.

Exercise 3: Problem 80 from section 6.2 of the textbook.
