

FRONTIER PROBABILITY DAYS

UNIVERSITY OF ARIZONA

MAY 18-20, 2014

"Frontier Probability Days 2014" (FPD'14) is a regional workshop, taking place in Tucson AZ on May 18-20, 2014. Its purpose is to bring together mathematicians, both regionally and globally, who have an interest in probability and its applications. FPD aims to complement other regional conferences in Probability that are held annually elsewhere in the US.

Plenary Speakers:

- * Marek Biskup (University of California, Los Angeles)
- * Michael Damron (Indiana University, Bloomington)
- * M. Gregory Forest (University of North Carolina)
- * Todd Kemp (University of California, San Diego)
- * Firas Rassoul-Agha (University of Utah)
- * Kavita Ramanan (Brown University)
- * Brian Rider (Temple University)

Registration is required but is free. Deadline for registration is April 20, 2014.
Financial support may be available from a grant from the National Science Foundation.
Deadline for financial support applications is March 2, 2014.
Graduate students are especially encouraged to apply.
