## Homework Policy

Every day, 5 homework problems will be assigned and posted on our section web page. Each homework is due the next day after it is assigned. It is to be turned in at the beginning of the class.

All problems will be graded on a 5 point scale. To obtain full credit for a solution, you have to justify your answer. For a correct answer without any justification you will obtain 1 point. The final homework grade will be computed as follows:

$$HW_{Grade} = \frac{points_{earned}}{total_{points-possible}} \cdot 150$$

You are strongly encouraged to discuss the homework problems in groups, but each student must turn in a separate paper that represents his/her own work.

You have to turn in all assignments on time. I will NOT grade late homework.

### Getting Help:

Please come to see me during my office hours! If you have a conflict and cannot make my office hours, please call or email me and we can set up an appointment for another time.
