| Team         | Average Payroll (in millions) | Average Wins |
|--------------|-------------------------------|--------------|
| Yankees      | 216                           | 93           |
| Red Sox      | 147                           | 92           |
| Mets         | 127                           | 91           |
| Dodgers      | 120                           | 85           |
| Cubs         | 115                           | 83           |
| Angels       | 114                           | 94           |
| Mariners     | 110                           | 76           |
| Tigers       | 108                           | 86           |
| White Sox    | 104                           | 84           |
| Phillies     | 103                           | 89           |
| Cardinals    | 102                           | 82           |
| Astros       | 102                           | 80           |
| Giants       | 94                            | 73           |
| Braves       | 92                            | 78           |
| Blue Jays    | 89                            | 85           |
| Orioles      | 83                            | 69           |
| Rangers      | 80                            | 78           |
| Brewers      | 74                            | 83           |
| Reds         | 73                            | 75           |
| Diamondbacks | 71                            | 83           |
| Padres       | 71                            | 80           |
| Athletics    | 68                            | 81           |
| Indians      | 68                            | 85           |
| Twins        | 67                            | 88           |
| Rockies      | 65                            | 80           |
| Royals       | 61                            | 69           |
| Nationals    | 57                            | 68           |
| Pirates      | 49                            | 67           |
| Rays         | 40                            | 75           |
| Marlins      | 27                            | 78           |

## Wages

Below is a table of the median weekly earnings for men and women from 2000-2010.

| Year | Men | Women |
|------|-----|-------|
| 2000 | 641 | 439   |
| 2001 | 670 | 512   |
| 2002 | 679 | 529   |
| 2003 | 695 | 552   |
| 2004 | 713 | 573   |
| 2005 | 722 | 585   |
| 2006 | 743 | 600   |
| 2007 | 766 | 614   |
| 2008 | 798 | 638   |
| 2009 | 819 | 657   |
| 2010 | 824 | 669   |

## Length of a Year

Below is a table giving the length of a year for several different historical periods.

| Period           | Age (Years) | Days per Year |
|------------------|-------------|---------------|
| Current          | 0           | 365           |
| Upper Cretaceous | 70 million  | 370           |
| Upper Triassic   | 220 million | 372           |
| Pennsylvanian    | 290 million | 383           |
| Mississippian    | 340 million | 398           |
| Upper Devonian   | 380 million | 399           |
| Middle Devonian  | 395 million | 405           |
| Lower Devonian   | 410 million | 410           |
| Upper Silurian   | 420 million | 400           |
| Middle Silurian  | 430 million | 413           |
| Lower Silurian   | 440 million | 421           |
| Upper Ordovician | 450 million | 414           |
| Middle Cambrian  | 510 million | 424           |
| Ediacarin        | 600 million | 417           |
| Cryogenian       | 900 million | 486           |
