Homework :

- **ALWAYS PUT YOUR NAME ON YOUR HOMEWORK.**
- Homework will be assigned, collected, and selected problems graded on a regular basis.
- There are two types of homework for this course: Written homework consisting of problems from the textbook and/or pages from your workbook, and online WebAssign homework that will be submitted and graded electronically. See instruction sheet for creating your WebAssign account.
- Written homework must be turned in by noon on the day it is due.
 - I will collect homework during our regular class time.
 - If you are absent, you can turn in homework at the mathematics office.
- All problems must be legible, (If I can't read it, I can't grade it).
- Homework must be turned in on standard 8 ½ X 11 inch paper and written in pencil. Multiple pages must be stapled together.
- **SHOW YOUR WORK!** If it is not clear how you arrived at an answer you will not receive all possible points. To receive full credit you must **SHOW YOUR WORK!**
- No re-do's or extra credit will be offered.
- Studying together and discussing assigned problems is permitted and encouraged. However, the paper turned in for grading must be your own work.
- In-class quizzes may be given at any time. Missed quizzes may not be made up except in cases of university excused absences or religious holidays.
- Coming to office hours with homework questions is helpful.
- DRC students are requested to contact me as soon as possible to regard testing accommodations.
