

Reflection 2

1. Read the following (available on D2L):
 - a. NCTM (2000)
 - b. CCSSI (2010)

2. Write a short paper (about 2 double spaced pages or 500 words) in which you:
 - a. Compare and contrast these standards (taken as a whole) to what you wrote for *Reflection 1: What is Math to You?*
 - b. Explain how you feel about these standards as a future teacher.

Do not forget to read and respond to my comments on Reflection 1!
