

TEAM

information to include in mentoring teacher's policy:

GTA: (name)

GTA email:

Office Hour or Tutoring Hour: TBA

Statement: A Graduate Teaching Assistant will be helping with this section of College Algebra this semester. He/she will hold a weekly office hour to supplement the instructor's office hours. He/she will also participate in some class periods, teach several classes, grade selected homework/quizzes, write some exam questions and assist in grading one exam. Please use the GTA's office hours for additional help with the course material. Any questions or concerns about the class itself, grading, and so forth, should be directed to the course instructor.
